.....		(corr. Dott. C. Angelini)	

Director of the Department of Biology
Prof. Ezio Ricca

The committee of professors for this examination commission – present and supplemental – are registered by the student secretary and cannot be replaced by other professors. Professors who cannot attend the commission for legitimate reasons must first inform the president so that they can be replaced with a substitute professor. Supervisors are kindly requested to advise their graduating students to send the PowerPoint presentation file (.ppt format only) of their thesis work to the following email address: "tesi.biologia@gmail.com" between one week and up to two days prior to the examination commission.
