Student s'Opinions Survey A.Y. 2023/2024

- **START!!** The procedure for surveying student opinions on didactic activities for the A.Y. 2023/2024 starts.
- **NOTICE!!** Filling in the questionnaire is mandatory to book the exam *ON-LINE* by Segrepass (resolution of the S.S. n.13/2017)

Procedure:

- Survey is carried out through *ON-LINE* questionnaires by access to the link <https://esol.unina.it> or *with the APP ESOL* available for Android and iOS
- The questionnaires is proposed to both attending and non-attending students
- Students can choose the compilation in Italian or English
- All the courses provided in the A.Y. in progress are evaluated. For modules courses , a questionnaire must be completed for each module

Procedure:

- It is possible to complete the questionnaire in one or more sessions.
- The student's data are not maintained by the system and therefore the compilation is made completely ANONYMOUS.
- The questionnaire can be submitted blank
- Once completed, the student will automatically receive a printable notification to their institutional e-mail address

Any Problems:

- For all problems relating courses/teacher , students must write an e-mail to contactcenter@unina.it, detailing the problem detected
- For information about procedure sent a mail to uff.didattica.dib@unina.it
